

DEMO SERVICE RECORD NOTE v1 - NOT LULZBOT GUIDANCE

Model: TAZ Pro. Effective 2025-10-01 to 2026-07-01 (Shanghai time).

For internal NOZZLE_WIPE cases, record the asset ID, occurrence time, original display message, and work order priority.

For troubleshooting, consult the official TAZ Pro User Manual, section 5.1.

This fictional service record note is not a repair instruction.
